SUBJECT: Hadley Township Master Plan

Hadley Township Supervisor and Board:

On behalf of the Hadley Township Planning Commission, I am pleased to announce the adoption of the Township's Master Plan at the December 7th Planning Commission meeting. A copy of the Plan has been provided to the Township Board for review and adoption. As you are aware, the Planning Commission began working on this important project in the summer of 2003. A Vision process and the recent public hearing provided the public input basis for the goals, objectives, and strategies included in the Plan. We are confident that this Plan will provide an appropriate direction for the community's growth, development, and re-development over the next 10 - 20 years.

The Planning Commission wishes to thank the Township Board for its support throughout the Master Plan process.

Respectfully submitted,

David Ivory

SUBJECT: Hadley Township Master Plan Adoption

Dear Planning Commission Chair:

As you may recall, your review and comments on the proposed Hadley Township Master Plan were requested in June of 2004. After the mandatory review period expired, the Planning Commission held a public hearing on the proposed plan. Subsequently, in December of 2004, the Hadley Township Planning Commission and Board both approved the Master Plan for adoption.

On behalf of the Hadley Township Planning Commission, please find enclosed insert sheets for the recently adopted Master Plan. Please note that with the exception of the enclosed pages, the remainder of the Master Plan is unchanged relative to the copy you received at the beginning of the review period.

If you have any questions or comments about the enclosed Master Plan or would like more information, please feel free to contact us.

Respectfully submitted,
